3.) Dan's organization, the New Jersey European Heritage Association, is a full-on "14 words" Nazi organization:

"We must secure the existence of our people and a future for white children."

HOME

The steps that we are taking help establish a means of communication with our people, bypassing the controlled news and entertainment media, enabling them to wake up and break their paralysis. Once that is achieved, swift and immediate action can be taken against the people who are destroying our race and civilization.

Our creed can be summed up by fourteen simple words; we must secure the existence of our people and a future for White children.

AntiFash Gordon @AntiFashGordon · Oct 29, 2018

4.) If you're not familiar with the "14 words," they're a white nationalist slogan coined by David Lane, founder of The Order:

Oh, looks like Dan D'Ambly and his squad of white babies are pretending they were never going to do a march, lol.

There isn't going to be a "march" this Saturday, there never was.

The NJEHA would like to formally thank the DSA, NIOT Princeton, Jewish supremacist news outlets, and the many other communist snowflakes who are making us a household name. Thanks to them, our organization has received an unprecedented amount of publicity, media coverage, and website traffic. Hundreds of people across the state are eagerly awaiting to join our ranks.

This exercise demonstrates that the so-called "tolerant" phony privileged limousine liberals of Princeton have no respect for freedom of speech. They don't think IT'S OKAY TO BE WHITE.

We are a peaceful law-abiding group. We respect and honor law enforcement. We wish to thank the men and women of The Princeton Police Department for their professionalism and adherence to the First Amendment and equal protection for all.
